READ CAREFULLY

Before beginning to prepare your application, read it through part by part, including the affidavit, and be sure that you understand each part before typing in the information required.

ALL INFORMATION REQUESTED ON THIS APPLICATION MUST BE TYPEWRITTEN.

Prior to submitting your application, please be sure you have met the minimum requirements (Refer to the Statutes and Board Rules.) If you have any questions, contact the Board office, (573) 751-0047.

This application must be accompanied by a check or money order in the amount of \$200 made payable to the Missouri Board of Professional Engineers. Fees must be drawn on a United States bank. Per Board Rule 20 CSR 2030-6.010, fees are nonrefundable.

Pursuant to Board Rule 20 CSR 2030-5.160, Applicants shall submit proof of receiving a passing score of 80% on the required State Exam covering Chapter 327, RSMo, the Board Rules and Ethics. To take this exam, please click here: <https://pr.mo.gov/apelsla-exam.asp>. Please click here: <https://pr.mo.gov/apelsla.asp> to view the Rules and Statutes. In addition, proof of your passing score must be included with the application.

Assemble all data necessary to enable you to complete the application. An incomplete application will not be processed.

We do not accept applications by fax or e-mail.

Insert your photograph in the blank space provided for that purpose on the first page of the application.

Applicant shall submit proof of graduation in the form of an official transcript of grades. **The transcript shall be forwarded directly to the Board office by the University** – unless previously submitted with Missouri Engineer Intern application. **A copy of diploma or record of grades is not acceptable. A degree in engineering technology does not meet the educational requirements of the State of Missouri.**

Prepare “Summary of Professional and Non-Professional Experience,” in chronological order. Enter total at bottom of form. All applicants must account for 100% of their time, including military service, etc. **If you left the field of engineering for any period of time, for any reason, this time period and explanation of what you were doing MUST be included.**

Complete a **separate** “Professional Experience Form” for **each** engineering engagement (place of employment) and have the appropriate supervising engineer, supervisor and/or client complete the “Verification of Supervising Engineer, Supervisor or Client” and **return them to the Board WITH your application.** Faxed, scanned or photocopies of Experience Forms are not acceptable.

A verification must be requested from the state board from which you received your original licensure. The verification must be requested by accessing the NCEES Electronic License and Exam Verification System <https://verify.ncees.org/>. If you took the Fundamentals of Engineering Examination in one state and the Principles and Practice of Engineering Examination in another state, a verification must be requested from BOTH states. If you took the Fundamentals of Engineering Examination in the state of Missouri, it is not necessary for you to request a verification from the Missouri Board.

If sheets are included with your application, they must be 8½ x 11 inches and each sheet must be signed and dated by you and the person verifying your experience.

Failure to include all documents and information required, or failure to follow instructions in filling out your application, will result in the return of your application WITHOUT processing.

It is your responsibility to keep a copy of the application for your files.

An application pending review will be retained for a period of one year from the date it was originally received.

NCEES records are retained for a period of one year from the date of receipt.

Completed applications are processed in the order of receipt in as timely a manner as possible. Processing time varies depending on the volume of applications awaiting review and a specific licensure date cannot be projected.

If licensure is granted, your initial license will be valid until December 31 of the current year. Refer to Statute 327.261 RSMo. as well as Board Rules 20 CSR 2030-11.010 and 20 CSR 2030-11.030 regarding renewal of your license.

TO HOLDERS OF AN NCEES RECORD

If you wish to apply for licensure as a professional engineer on the basis of an NCEES COUNCIL RECORD, you may do so. However, it will be necessary for you to contact the National Council of Examiners for Engineering and Surveying, P.O. Box 1686, Clemson, South Carolina, 29633-1686, and request them to send us a verified, certified copy of your NCEES COUNCIL RECORD.

If you apply for licensure on the basis of an NCEES COUNCIL RECORD, you are to fill in only Page 1 and Page 5 of the Missouri engineering application form along with a photograph as indicated on page one of the application and the required filing fee. Your transcript, letters of reference, and verification of licensure are not required to be submitted when you have a council record.

When your Missouri engineering application form is returned to us, it should be accompanied by a letter from you, advising us that you have requested the National Council of Examiners for Engineering and Surveying to furnish us with a copy of your NCEES COUNCIL RECORD. We will then delay processing of your Missouri application until your NCEES COUNCIL RECORD has been received.

NOTICE TO ALL APPLICANTS

Notice to all applicants who are employees or officers or directors of a professional corporation, general business corporation or a limited liability company having the practice of architecture and/or engineering and/or land surveying and/or landscape architecture as one of its purposes.

Section 327.401 of the Missouri Registration Law requires such corporations and/or limited liability companies to obtain a certificate of authority in each profession from this Board. If your corporation or limited liability company does not have a certificate of authority, an application may be obtained by accessing the Board's website <http://pr.mo.gov/apelsla>.

AMERICANS WITH DISABILITIES ACT

Information regarding special needs as addressed by the Americans with Disabilities Act may be obtained by accessing the National Council of Examiners for Engineering and Surveying website; www.ncees.org.

SOCIAL SECURITY NUMBER DISCLOSURE NOTICE

You must provide your social security number pursuant to state and federal law. ¹

The licensing authorities will continue their practice of using social security numbers for the following purposes:

- (1) for internal identification purposes;
- (2) to conduct criminal record checks (discovery of relevant criminal history may result in denial of your application, conditioned licensure or the filing of a disciplinary action against you);
- (3) to verify information provided by you in your application (discovery of false information in your application may result in denial of your application, conditioned licensure or the filing of a disciplinary action against you);
- (4) to verify licensure with another state's licensing authority for reciprocity licensure;
- (5) for identification purposes in national disciplinary databases (the discovery of a disciplined license in another state may result in denial of your application, conditioned licensure or the filing of a disciplinary action against you);
- (6) for test identification purposes.

IMPORTANT INFORMATION ABOUT EXAMINATIONS IN ENGINEERING

Principles and Practice of Engineering (PE)

- Before registering with NCEES, you must first submit this completed application to the Board for approval.
- The PE exam tests your ability to practice competently in a particular engineering discipline. It is designed for engineers who have gained at least four years' post-college work experience in their chosen engineering discipline.

All applicants are required to pass the FE Examination before they are permitted to take the PE Examination.

Information regarding the examination format, exam dates, specifications, and study materials to be purchased may be obtained by accessing the National Council of Examiners for Engineering and Surveying (NCEES) website, www.ncees.org.

INSTRUCTIONS

You are to summarize **all** of your experience/activities, engineering **and** non-engineering, commencing **AFTER** you received your bachelor of science degree.

ALL applicants must account for 100% of their time, including military service, etc. If you left the engineering field for any period of time, for any reason, this time period and an explanation of what you were doing **MUST** be included.

The summary must be prepared in chronological order. Be sure you enter the total at the bottom of the summary sheet.

This form may be reproduced.

Engagement means place of employment.

You are to fill in a **separate** Professional Experience Form for EACH engineering work engagement (place of employment). Time spent outside the field of engineering need not be typed on this form. Time spent in military services need not be typed on this form **unless you are claiming engineering experience acquired while in the service**. If more experience forms are needed, applicant may reproduce additional copies.

After you have listed each engineering engagement (place of employment) on a separate form, you must have the appropriate supervising engineers, supervisors or clients review the experience you are claiming and then complete the "Verification of Supervising Engineer, Supervisor or Client". If additional sheets are necessary, please have the appropriate supervising engineer, supervisors or clients sign and date the attached sheets.

Faxed, scanned or photocopies of Experience Forms are not acceptable.

AMOUNT OF ENGINEERING EXPERIENCE TO BE VERIFIED BY SUPERVISORS OR CLIENTS

327.392 1. – A MINIMUM of 20 years engineering work experience.

327.392 2. – A MINIMUM of 4 years engineering work experience.

IMPORTANT

An applicant's engineering experience record is evaluated from information furnished by the applicant as well as by corroborative testimony from an applicant's employers, references and clients. For this reason, an applicant's experience record must be set out in such a manner that a clear determination can be made as to what type of work you have actually performed in each work engagement. For each engagement you should set forth typical major projects on which you have worked. For each project you list, you should describe the scope of the project (what it involved) and your duties and responsibilities on that project; e.g., number of employees supervised, if any, design responsibilities, duration of project, etc. **This information is required of all applicants.**

Statistics indicate that approximately 15% of all applications filed for licensure as a professional engineer must be returned to the applicant because he/she did not furnish enough detail on the Professional Experience form.

PLEDGE/AFFIDAVIT

Prior to licensure, I will not engage in any engineering work in Missouri, except such as may be within the exemptions of the law, or under the direction of a licensed Professional Engineer in good standing and authorized to practice engineering in Missouri.

I hereby make, and promise to keep, the following pledge while retaining the status of a Professional Engineer in the state of Missouri to wit:

- (a) I will obey the Constitution and laws of the United States of America, the Constitution and the laws of the state of Missouri, and the rules and regulations of the Missouri Board for Architects, Professional Engineers, Professional Land Surveyors and Professional Landscape Architects;
- (b) I will discharge with diligence and fidelity the obligation of every professional employment in which I may engage within the state of Missouri or elsewhere;

I, the undersigned applicant for licensure by the Missouri Board for Architects, Professional Engineers, Professional Land Surveyors and Professional Landscape Architects as a PROFESSIONAL ENGINEER, on my oath, or affirmation, and for the purpose of securing such licensure, declare that the statements and representations made in the foregoing application are true.
